

# NOW RECRUITING!

## **BIG RIGS...** **EVEN BIGGER CAREERS!** **Come work with us.**

Looking for job security, career development, flexible working conditions, ongoing training and attractive remuneration? Then we want to hear from you!

Kenworth DAF Adelaide is a full service state-of-the-art truck dealership based at Cavan, only 15 minutes from the Adelaide CBD. We support the Australian Kenworth and European DAF product range in full, and employ the latest technologies through continuous product training from our full time training manager. Our regional parts outlets are based in the Riverland and Burton, ensuring our customers receive outstanding service and support, no matter their location.

We are a part of the CMV Group, a fourth generation, South Australian owned and run business.

**Currently we are looking to fill both full time and apprenticeship positions within the following fields:**

- Heavy duty diesel technicians
- Heavy duty auto electricians
- Metal fabricators/ welders
